

USERMANUAL FOR

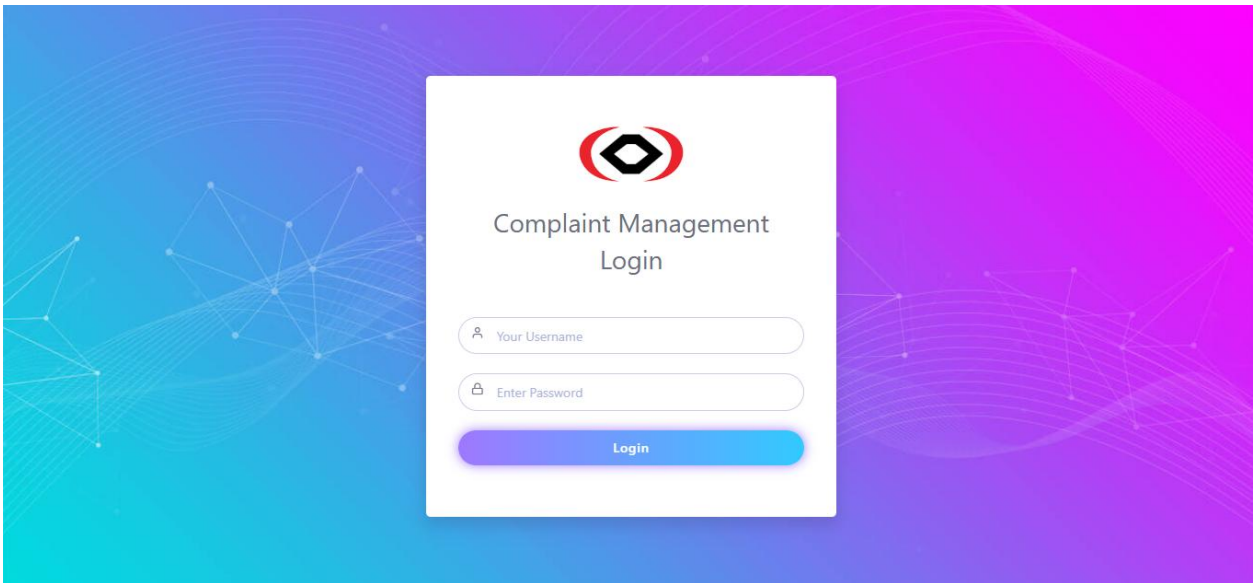

(Complaint Management System)

VERSION - 1.0v

2025

1. LOGIN

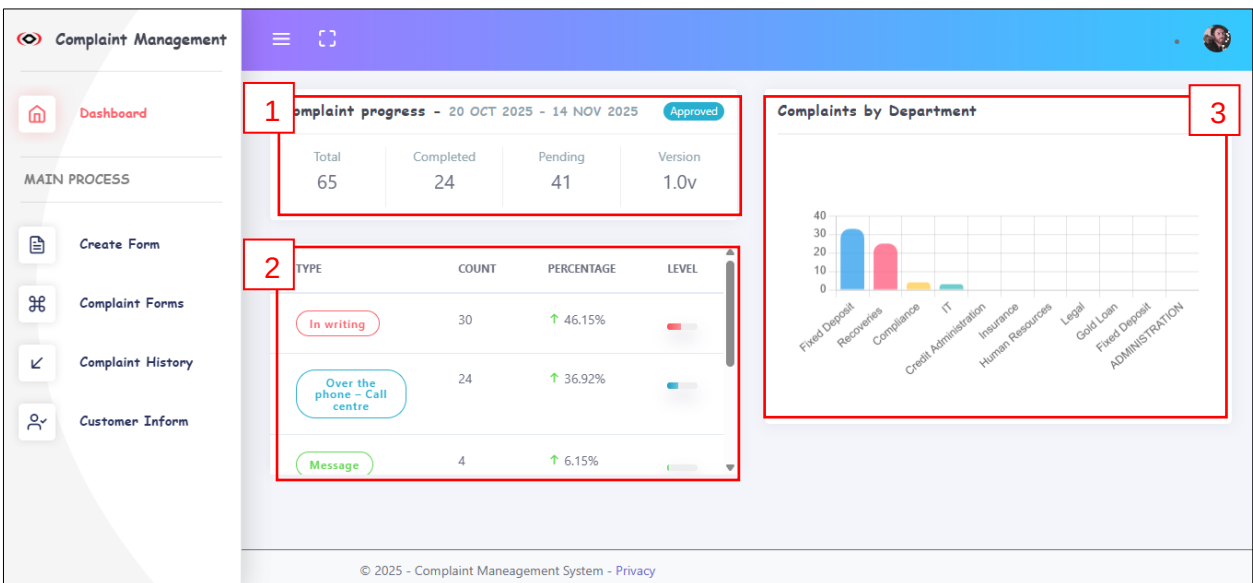

This is the CMS login page. Enter your employee number as the username, and use your PC password as the password.

2. DASHBOARD

This is the CMS dashboard page. This is a common dashboard view for all users.

- 1 - This section provides the total, pending, and complaint count for the entire CMS system.
- 2 - This section provides the complaint type-wise count and percentage for the entire CMS.
- 3 - This section provides the department-wise bar chart of the total CMS system

3. CREATE COMPLAINT

This is the complaint creation form. Here you can enter the complaint method, customer details, documents, branch, department, priority type, and complaint description.

1 - Clicking the green 'Save' button will save the complaint as a draft. It is not a submission.

You can save it first, complete the details later and then submit it.

2 - When you click the blue 'Save and Send' button, the complaint you entered will be sent directly to the department you selected.

6. CENTRAL MASTER

This is the central department's complaint list. From here, you can view complaints, forward them to the reference department, and resolve complaints.

The screenshot displays the 'Complaint Management' system's 'Central Master' interface. The left sidebar contains navigation options: 'Complaint Forms', 'Central', 'Complaint History', and 'Customer Inform'. The main area shows a table of complaints with columns: #, Reference, Complaint Method, Created Branch, Priority, Created Date, and Action. The table lists 7 complaints, with the third one (Reference: CMAF00065) highlighted in red. Three red boxes with numbers 1, 2, and 3 are placed over the 'Action' column of the third row, with arrows pointing to the 'Complaint Forward' and 'Complain Resolve' modal windows below. The 'Complaint Forward' modal shows details for the selected complaint and a 'Forward to Department' button. The 'Complain Resolve' modal shows the same details and a 'Save & Close' button.
